Book Recommend: For Such a Time as This

The late Dr. Fuchsia Pickett has written a challenge to the Church of today and it's relationship with our heavenly Father. Her book For Such a Time as This is a profound revelation of Church and how it parallels the book of Esther in the Holy Bible.

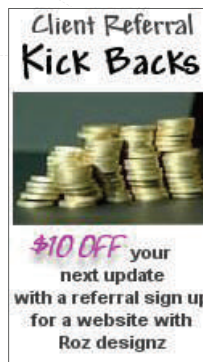

As believers we sometimes see ourselves as a modern day Esther. We passionately cry out to our God, "If I perish, I perish!" Have you been there? This book brings the reader to a place of abandonment and surrender to the King of Kings. A surrendering of our all to our King and saying, "If it please the king." [ORDER BOOK>>](#)
