

#### A Message for You...

**Happy Summer to All!** I hope and pray this message finds you well and blessed. For all Roz designz clients with the web-hosting service 1and1.com there is a new feature available, Blogs. These have some very nice graphical templates available and once set up is fully customizable from your end.

The [latest E-tip](#) is all about Blogs and blogging and will help you to get a better perspective on the benefits of maintaining a blog.

Have you always wanted a voice on the Net? Blogs can be updated daily. Hey, try it and see! It's the latest rage.

#### Book Recommend: Who Said Women Can't Teach?

**This is a must read!! I couldn't put it down!**

This is an incredible book and surely one that all leaders must read! For many years I knew in my spirit that these issues addressed in the book were true I just didn't have the know how in resource materials. The issues are addressed in a readable manner and explained very much in detail. [ORDER BOOK>>](#)

There is a wealth of resources shared for further study.

#### Roz's Latest E-tip: ` Blog this...a social media. `

You've heard the term blog or blogging? Blogs were originally termed "Web Log" and we now call them blogs. The very first "web log" was posted in 1999 and has swept the Net like a tsunami ever since. To date there are nearly 4 million and new ones added on a daily basis. Blogs are replacing the once popular guest-books, forums and even chat-rooms.

- **BLOG:** a virtual diary of a personal nature, a web journal that denotes a more social, interactive way of communication via the Internet. A web log with a corporate, business, ministry, travel or family context. Described as social media of any topic. [Read entire E-tip>>](#)

- **BLOGGER:** the person that maintains the blog.
